

TravelPrime Group

Beyond the Journey

Company Overview

TravelPrime Group is a registered B2B travel, logistics and operations company headquartered in Buea, Cameroon. We give international organizations a single, accountable partner on the ground – one team that moves your people, sources your goods and runs your activities, so you do not have to coordinate multiple local vendors.

We combine in-depth knowledge of Cameroon's markets, institutions and regions with the documented, professional standards international clients expect. Whether you are sending a delegation, hosting a conference, entering the market or delivering a field project, we manage the detail so your team can stay focused on its mission.

Our mission: to help people and organizations move, connect and get things done in Cameroon and internationally – reliably and professionally.

Core Competencies

Six service lines, available individually or as one coordinated package under a single contract.

Travel & Mobility Air ticketing, corporate travel management, hotels and accommodation, visa and immigration assistance, airport transfers, car rental with chauffeur, group travel.	Logistics & Procurement Procurement and local sourcing, freight and cargo coordination, transportation and fleet solutions, equipment and supplies, warehousing and distribution.
Business & Local Support Local representation, market-entry support, administrative support, government and institutional liaison, local staffing and coordination.
